Activity Report

Academic Year : 2021-22

Activity : Participative Efforts to Identify Innovations

Participants Count : 140 Students and faculty staff members are present

Date of Activity : 18-01-2022

Place : College Campus

Objective : The objective of this activity was to harness the collective intelligence of our college community through brainstorming sessions and think tank discussions to identify possible and needed innovations.

The college organized participative sessions involving students and teachers aimed at brainstorming and creating a think tank environment. Through these efforts, we successfully identified potential areas for innovation, fostering a culture of collaboration and creativity within our academic community.

Activity Report

Academic Year : 2021-22

Activity : Encouragement to Novel Ideas

Participants Count : 90 Students and faculty staff members are present

Date of Activity : 30-08-2021

Place : College Campus

Objective : The goal of this activity was to create a supportive environment that encourages and celebrates novel ideas among students and faculty.

The college implemented initiatives to actively encourage the generation and sharing of novel ideas. This included open forums, idea submission platforms, and recognition programs to celebrate the creativity of our college community.
